COURT-EVIDENCE

User designation: this label is recorded at the user's request. It is not an authenticity finding, legal determination, forensic certification, or independent verification.

Recording metadata

Source file: Recording (335).m4a

File SHA-256:

8A3CFEC0D5D7CD1F9AF5A7BF305CA95F59EFFF160CD142736411FCB25B3F4FA3

File size: 1,682,611 bytes

Duration: 42.88 seconds

Detected language: en

Language probability: 0.376

Transcription checkpoint completed: 2026-10-08T10:34:51.351231+02:00

Transcript

No speech segments were detected by the local Whisper transcription pass.

This result does not establish that the recording is silent, unintelligible, authentic, complete, or legally admissible.

Generated locally from the source file and transcription checkpoint. Preserve the original audio separately for any evidentiary review.
